

OLIVE TREE MEDIA AND HOPE25

At Olive Tree Media we have numerous Australian based and produced series with leading thinkers from Australia and around the globe that can both be used in preparing Anglican congregations for Hope25, and that will help Anglican congregations share the Good News of Jesus into their communities during the Hope25 season and beyond.

We believe that we can support the vision as Hope25 seeks to empower Australian Anglican parishes and communities in this intentional season of sharing the hope in Jesus from Easter to Pentecost in 2025.

A few examples of how we could help Anglican churches fulfill this vision are below, but we are also open to other ideas not currently on this list below.

1. Material To Prepare and Encourage Individuals And Anglican Congregations About Hope25:

- Jesus The Game Changer Series 2 (Adapted For Hope25)
 - We will choose 5 out of the 13 episodes and specifically package that on our website for Hope25
 - These will also have access to sermon outlines, videoed sermons, discussion guides, edited clips to show in services and power point material
